

Rev Joseph Sebastian

Johannes Baptist Alzog

Saint Joseph Sebastian Walshe OPraem, 2023-03-14 What is the greatest title of Saint Joseph? While the Litany of Saint Joseph is filled with many rich titles describing Joseph's virtues and duties--such as most just, most chaste, patron of the dying, terror of demons, and protector of the Holy Church--there is one title that stands out which is quietly absent from his litany: the man closest to Christ. Of all the men God has created, no one has been as close to Christ as Saint Joseph. He was the first man to hold God in his arms. He was the only man recorded to save Christ's life. He was, ultimately, the man chosen from all time to be God's earthly father. Just as his Son was prefigured in the Scriptures, Saint Joseph was also long foreshadowed in the Old Testament. Looking at these biblical types opens our eyes to the reality that Saint Joseph has many other titles, such as the provider of the Eucharist and the souls in purgatory. Even though the year of Saint Joseph has passed, the insights concerning our spiritual father continue to unfold. As the greatest of all the saints after Our Lady, Saint Joseph holds the key to opening the treasures of Our Lord's Sacred and Eucharistic Heart. To imitate Christ is the goal of our spiritual lives. And what better way to imitate Christ than to learn from Saint Joseph, the man who spent the most time with Him, the man closest to Christ!

Consecration to St. Joseph Donald H. Calloway, MIC, 2019-12-23 Drawing on the wealth of the Church's living tradition, Fr. Donald Calloway, MIC, calls on all of us to turn to St. Joseph, entrust ourselves, our Church, and our world to our spiritual father's loving care, and then watch for wonders when the Universal Patron of the Church opens the floodgates of Heaven to pour out graces into our lives today. Definitely a book for our time, Consecration to St. Joseph is dedicated to meeting the challenges of the present moment and restoring order to our Church and our world, all through the potent paternal intercession and care of St. Joseph. This book has everything you need to take your love and devotion to St. Joseph to a whole different level: a thorough program of consecration to St. Joseph; information on the 10 wonders of St. Joseph; and prayers and devotions to St. Joseph. Accessible, motivating, this book will kick off a great movement of consecration to our spiritual father and change the world.

Cases in Management Information Systems SANJAY MOHAPATRA,2008-01-01 This book is intended as a supplement for courses in Management Information Systems (MIS). It uses cases to explain MIS concepts. It illustrates how computer-based information systems can be used to support an organization's objectives and strategic plans. The book's objective is to capture the material from a wide range of sectors such as health care, developmental activities, bank operations, microfinance, etc. and organize it around a framework that would be useful for students to understand how MIS can help in overcoming corporate challenges. It prepares students as managers, providing a clear focus on information, rather than data, and its use in business. These cases can also be used by practitioners as examples for designing MIS in their own organizations. For each case, the costs and benefits of the information system have been evaluated by calculating the Return on Investment (ROI). What is more, not only quantitative benefits, but also qualitative benefits (social and public benefits) have been identified to justify the need for technology-enabled MIS for supporting corporate strategies and operations. The book would be useful to students of MBA, BE (ICT), MCA and M.Sc. (Computer Science) courses. Besides, it would be of benefit to senior executives participating in Management Development Programmes.

The Society of the Banana in Ohio: A History of the Black Hand Shane W. Croston,2022-10-24 A notorious case of terror and extortion in the Buckeye State In the early 1900s, a criminal society known as the Black Hand became feared across the United States as it extorted hard-working immigrants. In 1908, Agostino Iannarino received a series of threatening letters and when he refused to pay, a bomb exploded at the entrance of his Columbus home. His family fled to Sicily only to continue receiving threats. The following year, U.S. Post Office Inspectors learned that a Black Hand gang called the Society of the Banana was headquartered in Marion, Ohio, and authorities attempted to put an end to the violent outrages occurring across the Midwest. Revealing twenty-four extortion letters written by members of the Society of the Banana, author Shane W. Croston details factual and fatal accounts of the Black Hand.
